# Harvest

*Harvest's authentic, hand-crafted look appeals to everyone.*

The genuine hand finished pieces reflect the 'farm-to-table' philosophy so popular in today's dining out culture. Every item has unique features like 'wobbly' edges purposely built into the design.

Uniqueness does not come at the expense of quality. Sharing menus, street food, relaxed dining – use it how you want. From coffee shops to fine dining restaurants and everything in between, Harvest stands up to everyday use.

We are proud of our family heritage and the fact that Harvest is made in the Dudson factory in Stoke-on-Trent.

We have invested more than 200 years of accumulated knowledge and expertise into our

products, so you can trust the quality of the Harvest range.

Your peace of mind. As part of our Finest Vitrified Tableware range, all items are covered by the Dudson Lifetime Edge Chip Warranty. (Ts & Cs apply.)\*

\* For full details and Ts & Cs, please see our current price list, call us or visit our website.

*An eclectic mix.*

The hand-crafted appearance of Harvest highlights its individuality. Every item is hand-finished with a sponged rim, which naturally drips to create a unique piece.

The trend for sharing is covered by an assortment of bowls in different shapes and sizes, all with the hand finished detailing that underlines its rustic appeal.

Every Harvest item is available in Natural and plain White. Choose from the comprehensive colour palette of Brown, Green and Linen and the bolder colours of Mustard, Coral or Blue in a number of plate and bowl options to mix and match. Whatever your particular service requirements, there is scope to choose items and colours to suit any menu style.

*Everyday use.*

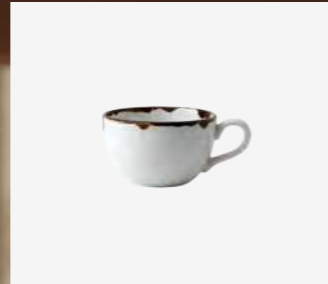

Today's dining styles show chefs' passion for using local ingredients. Harvest has been designed specifically to reflect this trend in food culture.

But its hand-crafted appearance has not come at the expense of durability. Harvest will stand up to everyday use in a professional kitchen. It goes without saying that every item is industrial dishwasher and microwave safe. And, for your peace of mind, every piece of Harvest is covered by the Dudson Lifetime Edge Chip Warranty.\*
