

Overview

Vitamix 756 Description

SKU: 491-756

With a 64 oz. (2 liter) capacity, the Vitamix blender container has ample room for whatever blending needs you might have! This high-impact container includes an ice blade assembly and lid and is made specifically for Touch and Go Blending stations along with the BarBoss and Drink machines. Made with a clear design, you are able to see the consistency of what you are blending so you don't overdo it. And for peace of mind, this Vitamix blender container is NSF certified, so you know you're getting a product that is of the highest quality.
