These Alto-Shaam CE-28892 cleaning tabs help keep your older model Combitherm oven spotless and running efficiently so you can continue to cook meat, vegetables, and more to perfection! These tabs boast a powerful formula that quickly removes even the toughest grease, carbon, and burnt-on food from your oven's interior, and they come in 14 gram packets for simple application while removing mixing and measuring from the equation so you don't have to worry about using too little or too much cleaner.

Best of all, application couldn't be any easier! Simply place the appropriate number of tablets into the oven's cavity drain and follow the directions outlined in your oven's cleaning instructions. For more information on specific chemical ingredients and safe handling procedures, please refer to the SDS. Sold (90) 14 gram tabs per case.
