RECOMMENDATIONS *sharing the passion*

KIMBERLY LALLOUZ CHEF • *Restaurant Monsieur Montreal, Quebec*

Steelite is everywhere around me – it's in all of my restaurants, in most of my photoshoots, and even my #1 choice for international competition plates. From Birdbar's laid-back fried chicken and champagne comfort dishes to Restaurant du MAC & Monsieur Resto+Bar more delicate and soignée plates. I love the variety, durability and look of the brand; there's something for everyone from the various lines that are offered. Customer service and client support are bar none, so it's a true pleasure for me to work with the reps and products alike every season.

CHRISTOPHER PERERA EXECUTIVE CHEF • *InterContinental Toronto Yorkville Toronto, ON*

My partnership with Steelite has helped my team and me to create unique dishes for the award-winning Signatures Restaurant for the past 20 years. Each season, Steelite develops new patterns and designs in their dining ware that provide creative plating opportunities for our restaurant to display aesthetically pleasing dishes to our guests. Steelite's quality in their china, cutlery, and glassware is remarkable and allows us to showcase Signatures Restaurant and The InterContinental Brand.

KEITH PEARS EXECUTIVE CHEF • *SOCO, Delta Hotel Toronto, Ontario*

For me a new dish starts with the plate ware, it is an integral part of the food. It is the canvas to our art. They go hand in hand, and one cannot be without the other. Steelite understands the importance, and that is why we have been in partnership for a very long time. They not only offer durable beautifully designed products but they also share the same passion towards food and appreciation for their customers. Most of all, the glue to this partnership is their exceptional customer service.

MARCEL LARREA CHEF • *Tiradito Bar Montreal, Quebec*

I have to say that I am new to the Steelite family. For years I was a compulsive buyer of unique, inexpensive designs from little shops in Chinatown. One day Alex Gonzalez took me around to restaurants I had been going to for years in Chinatown, and I was surprised to see how many of them were using Steelite. He said something that stayed with me, "I believe, and my customers believe in this product because the quality is there." Not only have I found that Steelite makes economic sense, but I am exceedingly impressed by their design, durability, and customer service. It is truly a pleasure to work with their products, and I look forward to a long partnership with this innovative company.

DEREK DALE EXECUTIVE CHEF • *Calgary Stampede Alberta, Canada*

While looking out at the city skyline, surrounded by the energy of the city, guests at the Calgary Stampede enjoy dining on locally-sourced foods from our Grown Right. Here. Program. The Stampede is committed to connecting urban and rural lifestyles, which is why Steelite is the perfect partner for our organization. A spread from traditional western to the latest culinary delights plated on Steelite's chic, modern design presents a true farm-to-table experience.

JASON HALL EXECUTIVE CHEF • *Legasea Seafood Brasserie at Moxy Hotel, TAO Group New York, NY*

At RCP/Williamsburg Metal, Connie and her shop allow for detailed customization, mixing in old world charm with modern aesthetic. We chose Robert Gordon Pottery at Legasea because of its handmade feel and durability. Its Australian-designed pattern gives a unique feel to our restaurant.

MAX ENNAMANY DIVISIONAL VICE PRESIDENT, CORPORATE BEVERAGE, LANDRY'S INC.

Chart House, Landry's Inc. Weehawken, NJ

Beverage programming has never been more exciting than it is right now. Great innovation, exotic and fresh ingredients, and unique ice forms are all elements to help wow consumers. But, all can be lost if not presented in the right vessel. Steelite is a company who has kept up with those trends with their cutting-edge designs and forward thinking, fully aware of how important glassware is to the cocktail, beer, and wine industry.

RICH PENNY CHART HOUSE CONCEPT EXECUTIVE CHEF • *Peohe's Chart House, Landry's Inc. San Diego, CA*

We are very proud to partner with Steelite at Chart House Restaurants. Steelite products bring a unique quality to the presentation of our menu items with their beauty, sophistication and contemporary design. WADE WIESTLING VP OF CULINARY DEVELOPMENT • *The Oceanaire Seafood Room, Landry's Inc. Minneapolis, MN*

I have used and been a fan of Steelite for over 20 years. Their innovative and cutting edge patterns, shapes, designs and colors instantly elevate our food to the next level. The quality of the products, the durability, their customer service and the fine partnership we share with Steelite are second to none.

With years of experience in high volume kitchens, I have enjoyed the consistent quality of Steelite. My culinary team loves the variety and new styles of dishes; we have used them to expand our repertoire of weekly specials. You can't beat the lifetime chip warranty, I give this product five stars!

MIKE FRIETSCH SIGNATURE GROUP EXECUTIVE CHEF • *Brenner's on the Bayou, Landry's Inc. Houston, TX*

I've been a fan of Steelite for years. The quality and durability are unmatched. Seldom do chefs look for inspiration outside of ingredients, but for me Steelite is the finishing touch that transforms every item to a new level. I choose each piece of Steelite as an artist would select a canvas for their masterpiece. In fact, after working with them for so long, I discover myself looking at the china as the first step in my creative process. And I always catch myself in other restaurants raising the plate to see if it's Steelite before taking my first bite.

JOHN BAKER CONCEPT EXECUTIVE CHEF • *McCormick & Schmick's, Landry's Inc. Houston, TX*

Our restaurants were recently remodeled to give guests a fresh and contemporary experience. Steelite helped us reach that goal and its durability has been exceptional.

BRADLEY KILGORE CHEF/CEO & **SORAYA KILGORE** PASTRY CHEF • *Alter/Brava Miami, FL*

Steelite's beautiful plate designs add another element to the dining experience. From a Chefs' point of view the plates are a form of inspiration. We use several different types and patterns throughout the restaurants. The vast selection Steelite offers ensures that you can always count on the right plate for the right dish.

MARK HEIMANN EXECUTIVE CHEF/FOOD & BEVERAGE DIRECTOR • *Renaissance Vinoy St. Petersburg, FL*

Managing and operating the culinary aspects of the banquet facilities, a private club as well as multiple restaurants and bars of a major Resort Hotel and Marina can present some unique challenges; keeping up on tabletop being one. Steelite continues to help us meet these challenges on a consistent and ongoing basis. Vision, value, variety, and service is what comes to mind when considering Steelite for our tabletop solutions.

RAY COMISKEY VP CULINARY EXECUTIVE CHEF • *Eddie V's Prime Seafood Orlando, FL*

Steelite china offers a crisp, clean, modern look that perfectly complements our refined yet relaxed atmosphere. The Rene Ozorio collection adds an extra dimension to our food which is artfully prepared and presented and brings our classic fine-dining experience to life, with seafood or steak as center stage. The beautiful craftsmanship and subtle details enhance the aesthetic of each of our dishes, further strengthening our dedication to the culinary artistry that is part of our overall food philosophy.

SHANE SCHAUBLY CORPORATE CHEF & VICE PRESIDENT OF CULINARY STRATEGY

First Watch Restaurants, Inc University Park, FL

When tasked with the lofty goal of revamping the food and menu of a 30-year-old restaurant group, I knew that the plateware we chose was just as important as the menu items themselves. Four years later, we have fully integrated our new plateware into 250+ locations across the country and are so proud of the look and feel of the restaurants as a whole. Steelite's innovation, design, durability, and service are unmatched in the industry and make us and our customers even more excited for what's to come!

MICHAEL GULOTTA EXECUTIVE CHEF/PARTNER • **MOPHO & Maypop** New Orleans, LA

The week MOPHO opened it was crazy busy; I frantically grasped for a Koto bowl to fill up with glazed chicken wings, as we were badly in the weeds, but it slipped awkwardly out of my fingers. The whole kitchen held its breath as the bowl tumbled end over end through space as it would surely smash into a galaxy of pieces at its current velocity. After what seemed like an eternity trapped in a second, that bowl hit the concrete and I kid you not, it bounced! Not a chip on it! They are now referred to in the MOPHO kitchen as the incredible bouncing bowls and I've used nothing but Steelite ever since.

OLIVER RESCHREITER DIRECTOR OF OPERATIONS • *JW Marriott Desert Ridge Resort & Spa Phoenix, AZ*

Throughout the past 10 years Steelite has been an excellent partner by creating new innovative products that compliment the variety of food and beverage outlets our Resort offers to our guests.

KEVIN D. GILLESPIE PRESIDENT AND CHIEF IDEAS MAN • *Gunshow Atlanta, GA*

With a restaurant that serves so many different styles of food it can be difficult to find the right service-ware that is both reliable and affordable. Steelite has always done a great job developing new products, allowing us to constantly explore new presentations for our guests. With Steelite, we are confident that our service-ware will stand the test of time. For us it's Steelite all the time!

GREG BEST PARTNER • *Ticonderoga Club Atlanta, GA*

As operators in the fast paced world of hospitality, we consider innovation an absolutely critical survival skill. Few companies represent innovation as effectively as Steelite, which is why we value our partnership with them so highly. The limit of the imagination is the only restriction when it comes to defining our restaurant's narrative with the exceptional presentation pieces Steelite offers.

REX HALE CHEF • *Boundary St Louis, MO*

For many years and restaurants I have become a fan of Steelite products. I have enjoyed the exceptionally creative canvas for plating food. The durability and innovative patterns are unmatched. When opening Boundary, Basso, and 360 we chose a variety of patterns to present our cuisine, elevating the presentation to a rare appreciated joy.

smooth, modern lines provide a dramatic tabletop statement

Offering a modern departure from the traditional table setting, Sheer takes geometric design to new levels. Cool and contemporary in style, Metro looks equally stunning with its softly rounded corners and curved edges. An ideal complement to the modern ranges of Sheer and Metro, Neo offers a smooth, refreshing take on traditional shape and design. Likewise, Contour offers a truly individual presentation, with seamless lines and a modern twist on round platerware.

David Kinch

a daring pattern for a dramatic presentation

Koto, one of Steelite International's most unique ranges, was designed in collaboration with world renowned chef, David Kinch. The inspiration was drawn from ancient Japanese Tenmoku Glazes. These beautiful glazes vary subtly in texture and tone from piece to piece, embodying the craft of the traditional potter. The pieces are hand finished with a rich iron red glaze, which interacts in the kiln to produce a warm, organic, lustrous effect. The deep black textured surface allows food to be perfectly framed, adding drama and contrast to your presentation.

delicate desirable detail

A simply stunning range that offers innovation within a classic environment, Optik uses contours to interact with light across the surface of each piece. Perfect for banqueting or fine dining, each item carries its own unique, but sympathetic version of the embossment, adding an air of individuality, sophistication, and surprise. The curves and lines move across the piece, creating highlights and shadows, accentuating the form and inviting the user to explore its tactile surface.

the original craft

With two striking new colors – Licorice and Porcini, Craft tableware creates a memorable experience for diners. The new Licorice adds drama and sophistication to the entire range and is in sync with the current trend for black tableware. Visually appealing, Porcini works well with the existing Craft colors, amplifying the rustic effect and reinvigorating an already iconic and market-trusted range. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur in the kiln.

A surprisingly “old” yet contemporary design taken from an 1800’s mold, Quartet was stylishly modeled after a popular dish towel design of that time. Boasting the rustic look of hand-thrown china, Quartet still offers the stacking capabilities required of modern restaurants. Impressive in single piece use or when nested or presented in combination, Quartet’s charmingly designed collection is sure to delight any guest.

extremely stable, non-slip foot

Odysée is an innovative collection using modern shapes, distinguished by its sturdy construction and made extremely stable (virtually non-slip) by a silicone "foot" on the bottom of the dishes. The patented process of the PilliBLOC® technology is characterized by a double groove carved into the base of the products and filled with a silicone film. This allows Pillivuyt to create non-slip products that will cling on all surfaces even at an angle of 30°.

CRUCIAL DETAIL

ultimate style and design

Martin Kastner's diverse career began in an unconventional way, at a 16th century castle restoring historical metalworks in Western Bohemia. From blacksmithing to design to conceptual art projects, a common sense of function and aesthetics ties Kastner's work together. His unique chef driven pieces revolutionize the way we think about food.

The journey for Crucial Detail began in 2003 when Chef Grant Achatz contacted Kastner and a culinary collaboration was born. Their first project, a collapsible tripod for frozen hibiscus tea, profoundly resonated with guests and planted the seed to countless designs for the famed Alinea restaurant. Kastner also designed the showpieces for Team USA in 2015 & 2017 at the famed Bocuse d'Or Competition in Lyon, France. Additional collaborations with notable chefs including Laurent Gras, Wolfgang Puck and Alex Stupak have captivated the industry by creating entirely new and beautiful ways of presenting food.

Bringing the chef's presentation to sharp focus is what first inspired the Parentheses collection by Crucial Detail. Smooth, clean lines of each piece bring the emphasis to the center of the plate. Just as parentheses surround an amplified word within a sentence, this collection draws attention to where it should be – your food.

thoughtfully composed, creatively ozorio

Classic, yet contemporary porcelain, the Sonata collection's embossment is a delicate note which complements the strong direction of the shapes. A welcome departure from the formal "nouvelle" and "fusion" cuisine of the past, Sonata's sophisticated embossment of radiant lines centers the visual focus on the well of each plate and bowl, placing emphasis on the cuisine being served.

geometric shapes with soft corners

Aura Squares & Rectangles add an exciting dimension to the traditional geometric platter. With varying heights and proportions, the collection stands well alone or when used as a complement to the traditional round table service. A sensuous curve softens the vertical lines of each plate and bowl.

unique, natural, extraordinary

The Potters Collection by Robert Gordon includes an exciting and informal assortment of embossed plates, platters, bowls and accessories in three unique colors: Pier, Shell and Storm. Each color has a distinct finish that is stunning on its own or can be beautifully mixed to create an unforgettable tabletop. The reactive glaze on Pier & Storm ensures that no two pieces of this Australian-designed porcelain will be exactly alike, and Pier's neutral taupe and Storm's deep blue color intensity varies from piece to piece. Shell features a satin, creamy-white finish with tiny flecks of dark brown throughout, making it the perfect canvas for your food presentation.

Venus by Catherine Hurand offers a bold new direction in glass dinnerware that gives the impression of dancing flames frozen in time. Evoking a wild, organic feel, while still maintaining a sensual, feminine air, Venus sets any tabletop apart from the rest. "This juxtaposition of uninhibited style with uniform structure creates the perfect piece for optimizing both practicality and presentation. To make the sparkling frost of the dawn dance," says Catherine Hurand, "I've played with fire."

sanitize & chill glassware in seconds

Thrill is a brilliant machine that sanitizes glassware in seconds and keeps drinks cooler longer, neither watering down nor altering the flavor and aroma of beverages. A glass that has been properly cleaned and sanitized enhances the overall taste experience. The invisible residue that remains after washing may adulterate the taste and odor of drinks, compromising the quality of the products served. With Thrill, it takes just a few seconds to thoroughly sanitize and chill the glass, leaving the product completely free of any unpleasant odors or aftertaste, allowing for a truly unique tasting experience.

precision crafted excellence

Steelite International presents the Laguiole steak knife collection by Jean Dubost. Each Laguiole knife is subjected to a special firing process, providing ultimate blade flexibility and a long lasting, perfect cut. Available in a mirror-polished serrated (1.2 mm handle) or sharpened (1.5 or 2.5 mm handle with guilloche design) blade options, Laguiole steak knives add that "something extra" to your tabletop presentation. Each knife is offered in a fine selection of handle finishes, like Carbon Matte and Stainless Steel, as well as Black, Ivory, and Horn which utilize the strength of ABS plastic but flaunt the look your tabletop desires.
