the original craft

With two striking new colors – Licorice and Porcini, Craft tableware creates a memorable experience for diners. The new Licorice adds drama and sophistication to the entire range and is in sync with the current trend for black tableware. Visually appealing, Porcini works well with the existing Craft colors, amplifying the rustic effect and reinvigorating an already iconic and market-trusted range. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur in the kiln.

beautifully fractured linear patterns

Crackle patterns have a long and distinguished history going back many years. Crackling occurs when the glaze contracts on the surface of the clay body, causing it to fracture into beautiful linear patterns, covering the entire surface of the glazed piece. Available in Crackle Black and Crackle Grey, Ink will add texture and color to casual and contemporary food presentations, and is aesthetically compatible with both plain white and many of our craft inspired ranges.

unique, natural, extraordinary

The Potter's Collection by Robert Gordon includes an exciting and informal assortment of embossed plates, platters, bowls and accessories in three unique colors: Pier, Shell and Storm. Each color has a distinct finish that is stunning on its own or can be beautifully mixed to create an unforgettable tabletop. The reactive glaze on Pier & Storm ensures that no two pieces of this Australian-designed porcelain will be exactly alike, and Pier's neutral taupe and Storm's deep blue color intensity varies from piece to piece. Shell features a satin, creamy-white finish with tiny flecks of dark brown throughout, making it the perfect canvas for your food presentation.
