

Made in Italy

Brema Ice Machines add a touch of elegance to your establishment. Known and trusted in the industry for high-quality construction and consistent production, they are the most reliable choice for all your ice production needs.

Ice Cube

Brema Ice Cube Machines are perfect for bars, restaurants, hotels and clubs for clients who require ice cubes with elegant form and clear, crystalline finish. Only the purest of water forms ice as it's sprayed onto a horizontal evaporator, while the mineral rich water returns to the internal tank and is subsequently removed at the end of each production cycle.
