

Pre-Rinse Assemblies

Hydro-Force Lead Free wall- and deck-mounted pre-rinse assemblies are ergonomically designed and built tough for the most demanding commercial kitchen applications. Each features Lead Free, polished chrome-plated brass faucets, hot and cold valve cartridges with built-in backflow preventers, quarter-turn full-on valves, and a 44-inch flexible stainless steel hose with a spray head valve that provides 1.6 GPM action.

Hydro-Force pre-rinse assemblies can be purchased with add-on faucets and spouts ranging in length from six to 16 inches. Faucet components on these assemblies are certified by NSF to NSF/ANSI 61, section 9 and ASME A112.18.1.
