Isla

# Isla

The contemporary and intricate Isla design is inspired by shapes and textures found along the seashore. Featured on a comprehensive range of tableware shapes and beverage items, the modern yet graceful Isla embossment is reminiscent of the coastline. Colour enhances the Isla range in a stunning Raku pooling effect and hand applied accent colours in Ocean Blue and Shale Grey.

# Inspired by the shoreline

The distinctive and elegant Isla embossment emulates the natural beauty and patterns of the coast. An intricate and stylish design that does not compromise on durability and performance.

# Contemporary and graceful for premium or relaxed dining

Enhanced with colour, the intricate Isla embossment intensifies with the addition of Shale Grey and Ocean Blue. A striking Raku pooling effect combines with the embossment to create premium feature pieces. Statement coloured items complement the full white embossed range or work independently as stand alone pieces.

# Conference and banqueting

Isla is available in a comprehensive range of tableware shapes and beverage, including presentation plates and footed plates for ease during service. Designed for large scale dining events, the range is lightweight, designed to stack with long lasting durability and strength.
